## Tea and coffee selection

In 1706, Twinings was one of the first companies to introduce tea drinking to the British when Thomas Twining began selling tea from his first premises on the Strand to the likes of Jane Austen and Charles II Earl Grey. The finest ingredients coupled with 300 years of experience make Twinings the perfect pairing for our afternoon tea selection.

whipped cream”**

**Or**

**With “Festive Mulled Wine”**

Mulled wine originated in the 2nd century. It was created by the Romans who would heat wine to defend their bodies against the cold winter. As the Romans conquered much of Europe throughout the next century, their love for mulled wine spread across their empire and the regions they traded with.

To this day, mulled wine continues to be a Christmas tradition
